

OCHOA INDUSTRIES is a manufacturers' representative providing proven and integrated design solutions that deliver performance, reliability, and value. We proudly serve the marine, offshore and industrial markets through trusted manufacturing partners who share our commitment to quality, integrity, and customer-focused results.

Performance by Design. Solutions You Can Trust.

**MARINE / OFFSHORE
FANS / BLOWERS**

- Marine Duty Axial Fans
- Marine Duty Vane-Axial Fans
- Centrifugal Fans
- Pressure & Utility Blowers
- Backward-Inclined
- Backward-Inclined – Square Housed
- Industrial Exhausters
- High Temperature Fans

**INDUSTRIAL
FANS / BLOWERS**

Strategic Partners

- Tube-Axial
- Wall Exhaust
- Roof Exhausters / Ventilators
- Cast Aluminum Blowers
- Personnel & Product Coolers
- HVLS Fans
- Fan Accessories

DEHUMIDIFIERS

Desiccant Dehumidifiers

Refrigerant Dehumidifiers

DAMPERS / LOUVERS

- Volume Control Dampers
- Backdraft / Shutters / Pressure Relief
- Isolation / Gas Retention
- UL Fire & Smoke Dampers
- Diffusers, 2 & 4-Way
- Inlet Vanes
- Tunnel Dampers
- Fixed Non-Drainable Louvers
- Fixed Drainable Louvers
- Adjustable Louvers
- Combination Louvers
- Acoustical Louvers
- Wind-Driven Rain Louvers
- Extreme Weather Louvers
- Sand Louvers
- FEMA Louvers

AIR CONDITIONING

Strategic Partners

- Industrial / Marine / Offshore
- Safe & Explosion-Proof

SERVICES

- Design & Calculations
- On-Site Surveys
- Project Management
- Fabrication
- Installation

NOISE CONTROL

- Ventilation Silencers
- Industrial Mufflers
- TEFC Motor Silencers
- Stack Insert Silencers
- Vent & Blowdown Silencers
- Flexible Connections
- Noise Reduction Enclosures
- Barrier Walls
- Acoustic Weather Hoods
